This delightful collection of native plant gardens ranges from Al Kyte’s 40-year-old wildlife oasis to brand new installations, from large lots in the hills to small front-yard gardens, from local native plants to natives from throughout California, and from gardens designed and installed by owners to those designed and installed by professionals.

- Passes to 35 gardens
- Garden Guide that provides details on each garden
- Garden talks scheduled throughout the day

Learn how to:
- Select and care for California native plants
- Attract butterflies, birds and bees to your garden
- Garden without pesticides (and protect your children and pets!)
- Lower your water bill
